**Important Information About Contacting Congressman Doggett**  
 Due to the 2001 bio-terrorism threats, the House Sergeant A has implemented screening procedures for all mail to House in Washington, D.C. These procedures help keep the Capitol but they will slow the mail flow to my office considerably. **When possible, please email me from this website.** This way, important correspondence and information will get to my office sooner and will not be slowed by the necessary safety procedure for the mail.
