Greater Dayton, Ohio-April 10, 2003 – Keller Williams® Realty, America's 7<sup>th</sup> largest residential real estate company with over 17,000 agents coast to coast, today announced it has expanded its growing network to the Dayton, Ohio area via a new affiliation with Home Town Realty, one of the area's newest real estate brokerages. Partners include Debby Boyce, Team Leader, Renee DeGraff, Dave & Chris Monnin, all formerly of The Realty Group, Cathy McGrail, formerly of Cathy McGrail Realty as well as Tim & Kathie Stammen, formerly of Prudential Residenz. They all believe strongly in Keller Williams advanced career training, profit sharing, and participative management programs.

Austin, Texas-based Keller Williams, since its founding in 1983, has become a major force in the real estate industry in recent years due to its corporate philosophy of "working for the agent, instead of the agent working for the company". By partnering with only the top Realtors® in each market, then assisting with industry-leading career training, marketing, and business support, Keller Williams significantly improves the buying and selling process for customers in every price range.

Home Town Realty, as one of Keller Williams' newest affiliates, has entered the market with a strong reputation for personal service and exceptional market knowledge. Led by Broker/Operating Partner Tim Stammen, the partners typically sell real estate at the very highest levels of production in Vandalia, Englewood, Butler Township, Tipp City, Troy, Brookville, Huber Heights and Dayton, Ohio.

"Keller Williams operates what has become the most comprehensive educational resource in the industry—Keller Williams University. The company's level of training, added to its other corporate benefits, attracts and retains the best in the business. We believe Home Town Realty will become a stronger, more aggressive, and more effective alternative for buyers and sellers as a result of this new partnership" stated Stammen.

"Keller Williams is proud to enter the North Dayton area through Home Town Realty," stated Mo Anderson, Chief Executive Officer of Keller Williams Realty. "Our company has a policy of limiting its market presence by selecting only the premier agents in any given area. These individuals are top producers, or have the potential to be so. By maintaining our standards of excellence, we can provide Keller Williams customers with the best real estate experience possible."

Home Town Realty's affiliation with Keller Williams is effective immediately. The office is located at 579 S. Dixie Drive, Vandalia, Ohio; to contact Home Town Realty please call 937/890-9111 or email [tstammen@siscom.net](mailto:tstammen@siscom.net).
